HSC ATTRACTIONS

Winnie Davis Hall
Winnie Davis Hall was built in 1902. The building was originally a dormitory for the Georgia State Normal School. The building is named for the daughter of Jefferson Davis, the President of the Confederacy. The Winnie Davis Hall houses the administrative offices of the UGA Medical Partnership.

The Niche at Scott Hall
The Niche at Scott Hall on UGA’s Health Sciences Campus invites students to enjoy the benefits of a dining commons in a cozy bistro atmosphere. Upscale entrees, sides, and salads are prepared at a market style deli. Flavorful hand-made, stone-fired pizzas season the menu allowing you to create your own personal pizza pie. Juicy steak topped with melted cheese for a mouth-watering sandwich accompany traditional favorites such as delicious hand-pattied burgers and fresh fries at a modern open flame grill and smooth gelato debuts as a tasty dessert or afternoon treat. In the mornings, fuel up with a southern cooked made-to-order breakfast or light and fresh fruits, pastries, omelets, and cereals.

Carnegie Library
The Carnegie Library will become a student center that pays homage to the campus’ history in the spring of 2016.

Pound Hall
Pound Hall houses an assortment of strength and conditioning machines, two locker rooms, free weight benches and weights and an array of cardio equipment including three treadmills, two ellipticals and numerous stationary bicycles. There are also three conveniently-placed flat screen TV’s in view of the cardio equipment.

Campus Tour

The Campus Tour is a student-led 75-minute combination driving and walking tour of the campus. Our knowledgeable student tour leaders take prospective students and their families, alumni, and large groups through the campus, providing their insights and wisdom in relating their college experiences.
